## ROAD CONSTRUCTION AHEAD

On November 13, 2017 the Spokane County Public Works department held an informational open house at East Valley Middle School to address road construction changes coming to the Bigelow Gulch and Forker Road transportation corridor. Many of these changes will impact Foothills resident work commutes as well as access to retail and services in the Spokane Valley area over the next few years. The Public Works department made many of the planners, engineers, and traffic coordinators for the projects available to answer questions and address concerns from the public.

Ultimately, the plan will expand Bigelow Gulch to four lanes with an additional center turn lane all the way from Francis Road and Market to Sullivan Road in Spokane Valley with a 45 mph speed limit over the entire section.

The project will be executed in multiple phases of sub-projects, the first one being Project 4A, which is the rebuilding of the Bigelow Gulch/Forker Road intersection. This intersection will relocate Bigelow Gulch over Forker Road, no longer requiring Bigelow Gulch drivers to stop before descending into the Spokane Valley via Progress Road. Project 4A has been awarded to Halme Construction of Davenport, Washington and is expected start immediately, taking approximately one year to complete depending on weather conditions. You may have noticed that tree removal and drainage construction have already begun. During construction, planners expect the roads to stay open except for a 2-week period where traffic will be diverted to Pleasant Prairie. This step will be planned over the summer so that school bus routes will not be impacted.

*Continued on page 2*  
**CONSTRUCTION**

**CONSTRUCTION** *continued from page 1*

Project 5 includes the section of Forker Road from the Bigelow Gulch intersection south to Progress Road and will be broken up to two phases. Phase 1 of Project 5 will reroute Progress Road to the east and north of Light of the Gospel Baptist Church where it will reconnect up with Forker Road. This phase had not been awarded to a contractor at the time of the meeting, but is expected to begin in the fall of 2018. Phase 2 of Project 5 will redo the rest of Forker Road up to the new Bigelow Gulch interchange and is planned for 2020.

Residents can keep up to date on plans and project progress via the Spokane County Public works website at [SpokaneCounty.org/257/Public-Works](http://SpokaneCounty.org/257/Public-Works) or via phone at (509) 477-3600

**COUGAR ATTACK**

On February 25th a tom cougar killed a horse near McElhany Road on Pleasant Prairie north of Moffat Canyon. The owner contacted Washington Department of Fish and Wildlife, who sent enforcement agents to ascertain the kill, determine that a cougar was guilty, and then placed a camera on the horse carcass. Shortly thereafter the cat returned, and on Monday morning a contract tracker and enforcement officers treed the predator, after which the cat was dispatched. The cougar skin and skull will be used for educational purposes.

**ANNUAL MEETING IS FOR THE BIRDS!**

Every year the FRA Board looks for unique and engaging speakers to highlight our Annual Meeting event, and 2018 was no exception. Will Willmschen, affectionately dubbed “The Hawk Man”, visited the Foothills Community Center on January 17th to put on a great demonstration with his trusty Harris hawk “Rusty”. Will explained all different aspects of hawk behavior, pointing out that falconry is the world’s oldest sport. The entire time Rusty was friendly and calm, allowing a long line of eager residents young and old to take turns having a bird of prey perched on their arms. Will and Rusty’s informative presentation truly was a delight for everyone in the room.

To complement all of the action, Karen Feyk cooked up delicious chili dogs, and FRA members brought a bevy of desserts. Please make a note to attend next year’s annual meeting – it is a unique opportunity for a mid-winter get-together with your community, and you never know what you might see and learn!

Voting for the 2018 officers and board members of the Foothills Rural Association also were held during the January Annual meeting. The 2018 FRA board includes:

- President - Rich Krenkel
- Vice-President - Holly Weiler
- Secretary - Karen Feyk
- Treasurer - Mike Britton
- Board Member – Term through 2018 - Marc McIntosh
- Board Member – Term through 2018 - Ashley Humbird
- Board Member – Term through 2019 - Jason Kinley
- Board Member – Term through 2019 - Roger Potter
- Board Member – Term through 2020 - Dawn Keig
- Board Member – Term through 2020 - Ali Knecht

**WHAT'S IN AN EGG?...EASTER THAT IS!**

Every year spring memories are made as Foothills children line up with their baskets for the annual FRA Easter Egg Hunt and Bake Sale. By popular demand we are again holding the event the Sunday before Easter, on Sunday March 25th at 12:30pm. Literally hundreds of plastic eggs with treats inside are “hidden” throughout the community center playground. Age-staggered start times ensure the littlest ones (assisted by parents and grandparents) get a chance too. And there are always a few special Golden eggs which win the finders special treats! Prizes, candy, and fun are sure to be had, and kids of all ages are invited to attend. Bring a bag or basket, and don’t forget your camera!

*Snapshots from past Egg Hunt Events!*

**BINGO NIGHT**

Tasty treats and great prizes are all on tap for Saturday April 14th at 6:30pm at the community center. Last year’s event was a lot of fun for those in attendance especially for the 50/50 game at the end of the night. Members and non-members alike are all invited to attend for some community social time.

**LOCAL MAIL THEFTS**

Mailboxes in the Foothills have recently become a target of mail theft, and neighbors are urged to keep a vigilant eye out for suspicious activity. Contact the Spokane County Sheriff’s office if you notice anything out of the ordinary around roadside mailboxes or if you suspect your mail is missing. The Sheriff’s office is working with USPS mail inspectors to investigate and solve these problems.

**FOOTHILLS FACEBOOK PAGE**

It is a great source for local news stories as well as current and historic pictures, and you can even report lost or found pets as well. ## STATION 96 STATS OCT-JAN

Our Spokane Fire District Station 96 volunteers were dispatched 20 times over the fall and mid-winter months. Of those, 3 calls were canceled or nothing found on arrival, 14 calls were for EMS, 2 calls for automobile accidents, and 1 for a building fire. As always, thank you to our volunteers for your service to the Foothills. This team works hard to maintain their facilities, units, and skills to serve us when it's most needed.

## DUES REMINDER

Please remember to support the FRA by paying your 2018 dues. Your \$20 annual dues allow us to keep the community center up and running as well as to support scholarships, activities, and this newsletter, too. Thank you to all paid members for 2018.

## FOOTHILLS COMMUNITY CENTER CLEAN-UP DAY

The annual FRA community center cleanup day is fast approaching. Please join us on Saturday, March 24th at 9:00am for some spring cleaning of the center and surrounding property. There are activities for all ages to help, from picking up sticks, raking, and mowing to winter debris removal and cottage roof moss cleanup. We want to have everything ready for the Foothills children to enjoy the Easter Egg Hunt taking place at the center the next day. Please stop by and pitch in!

## CALLING FOR SCHOLARSHIPS APPLICATIONS!

Each spring the FRA in conjunction with the Blue Ribbon Circle award Jess Kronquist Memorial Scholarships to support the continued education of Foothills families. Thanks to the generosity of the community, we will be awarding \$3,000 in scholarship money this year!

These scholarships are very competitive. Students pursuing degrees at 2-and 4-year academic institutions are always encouraged to apply. But the scholarships are not necessarily limited to traditional students and university programs. The scholarships could be used for any type of educational studies, such as trade education. The awards are also not limited to students of traditional college age either. We believe that education is a worthy lifelong pursuit, so consider completing an application and using the essay component as a chance to make a case for your unique situation and goals.

Only permanent residents (based on home address) of the Foothills Rural Association boundaries (Fire District 9, Station 96) are eligible. If you are in doubt of your residency, please consult the map available at [ruralspokane.org](http://ruralspokane.org) and/or contact the Committee chairperson (below) before applying.

The application form is printed here and is also posted on the FRA website ([ruralspokane.com](http://ruralspokane.com)). Completed application packets must be received by Wednesday, May 9th. A 15-minute in-person interview is also required of all applicants. Interviews will be held at the Community Center on the evening of Friday May 18th. Please be sure you are able to participate in the interviews before applying. You will be contacted after all applications are received to schedule your interview time. Please feel free to direct any questions regarding the application, interview, evaluation, and/or any aspect of this year's process to the Scholarship Committee chairperson, Dawn Keig at 808-4076 or [dawn.keig@gmail.com](mailto:dawn.keig@gmail.com). Good luck to all lifelong learners!
