

**Foothills Rural Association  
Community Center  
11003 N. Forker Road Spokane, WA 99217  
Corner of Forker and Peck**

**Community Center Rental Information**

At the center of the community stands the white Foothills Community Center, a building that started its humble life as a schoolhouse teaching the local youths of the Foothills about the wonders of the world. It remained a schoolhouse until the 1960's. Once it was converted to our current Foothills Community Center it has hosted numerous events including wedding receptions, baby showers, birthday parties, holiday family get-togethers, graduations, memorial services, celebration of life, and many more events. The quaint building was the localized meeting place for the women's group, the Blue-Ribbon Circle when the membership dues were just ten cents and is the current location of the monthly Foothills Rural Association meetings. The Foothills Rural Association, or FRA, act as the stewards of the property and continue to rent out the center to both local residents and those outside of the district 9 boundaries. When looking for a warm and inviting space for hosting your next event, look no further than the Foothills Community Center! Reach out to the schedule coordinators, Roger & Sherrie Potter, at either 509-994-8538 or 509-990-2818. A tour of the inside of the center is just a phone call away. FRA members receive a considerable discount on rental fees.
